[1](#)1. (U) This is an action message. See paragraphs 2-4.

[1](#)2. (U) The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests post assistance in conducting a pre-license check for the export of plastic bonded explosives to Malaysia. Post is requested to complete this Blue Lantern check within 30 days. Lack of response to a Blue Lantern check will affect pending and future licenses involving parties to this license.

[1](#)3. (S//NF) Reason for request: the Foreign Intermediate Consignee, Kontena Nasional Global SDN BHD, is identified on the license application as the "Malaysian government's appointed freight forwarder." Kontena Nasional is, however, also the freight forwarder frequently utilized by a Malaysian-based front company to divert U.S.-origin electronics and aircraft spare parts to Iran, e.g., see Ref. A-F as recent examples. PM/DTCC would therefore like to conduct a Blue Lantern check to confirm this order for explosives with the Foreign End User.

[1](#)4. (U) ACTION: Please contact the Foreign End User, Royal Malaysia Police, and verify its request for the exact quantity and specific type of commodity listed below. Please also confirm intended use. END ACTION.
